MARINCE CORPS AIR STATION BEAUFORT, Sc. -- A Marine from here was killed and two more were injured on Jan. 13, at 1230 hours while performing routine explosive ordnance disposal duties.

The names of the deceased and injured are being withheld until 24 hours after the next of kin have been notified.

The Marines were transported to U.S. Naval Hospital Beaufort, South Carolina. One of the Marines was pronounced dead on arrival, while the other two are in critical condition.

Preliminary reports show that the ordnance prematurely went off, killing the one Marine and injuring the other two.
