Mobility for U urges you, your family and friends to support Proposition S on the November, 2016 Ballot. This extremely important initiative will provide desperately needed funds to assist Missouri Seniors with various services. Please vote YES on Proposition S. For more information, please visit

### PROPOSITION S: MEETING THE NEEDS OF SENIORS

There are serious gaps in funding and delivery of services for seniors. A collection of trusted organizations and community members have come together through Seniors Count to make an impact through the introduction of Proposition S.

In November, you'll have the opportunity to make a significant difference in the lives of residents 60+ in your county who are facing gaps in numerous areas including:

- Transportation
- Nutrition
- Home maintenance/safety
- Care coordination
- Medicare/Medicaid
- Behavioral health
- Dental health
- Socialization
- Homemaker services
- Respite services
